GROWING IN SERVICE

**unless

Psalm 127.1

This Gift Day supports the Ministry and Mission of Kiltiernan Parish, Church of Ireland, as we aim to grow as disciples and make Jesus known.

We are living to make a difference, through building community, strengthening worship, and growing in service.

Giving Thanks

As a church we give thanks to God for his generosity to us and the way he has always met our financial needs over many years. We also give thanks for the faithful sacrificial voluntary giving of so many within the body of Kiltiernan. Be assured that your giving makes a difference! As a result of your generosity this year so far, we have been able to:

- Increase the worship life of the church.
- Successfully reopen the Gathering Grounds Café
- Provide pastoral care to those in need and to maintain our giving to several charitable causes.
- Grow our services for families and young people
- Ensure that all our facilities are fit for purpose, including competing the work on the tower and installing a new church boiler.

What we're asking now

In addition to our regular work and ministry, in 2023 we plan to:

- Develop a Kiltiernan All Minds Matter Programme to support each other's mental health, care, and wellbeing
- Expand the staff and scope of the Gathering Grounds Café so we can open on Saturdays and possibly during the holiday seasons
- Strengthen our faith formation programme through Alpha and other courses.
- Develop pastoral care teams and provide additional support for older persons
- Create a Digital Media plan to include the development of a new website
- Improve our facilities for worship through live streaming and audio / visual equipment.
- Improve our 'welcome' by offering welcome packs and better publicity material.
- Re employ a youth worker to support our young people.

We take nothing for granted as a parish. What we do is dependent on your generosity and the effective stewardship of our church leadership.
